Staffing Announcement

It is with mixed feelings that I inform you Vince Tedesco, our interim Executive Director, will be leaving Community Living Peterborough on March 31st 2017.

As previously announced, Teresa Jordan will become the Executive Director of the newly amalgamated Agency, Community Living Trent Highlands on April 1st 2017.

Vince has provided strong leadership to Community Living Peterborough, over the past 15 months and the Agency has experienced many positive changes. He has worked closely with the Board of Directors to guide the Agency through a significant transition period, and a successful amalgamation with Community Living Central Highlands.

Vince's integrity and his dedication to both staff and people supported have been much appreciated. I believe Vince has prepared the agency well for success into the future.

While we will miss Vince's leadership, we are confident he will continue to have a positive impact on developmental services as he takes on other interim executive roles.

Please join me in thanking Vince and wishing him much success in the future.

Wayne Eastabrook, CLP Board President
